

Nikita Devereaux is a professional speaker, Lean Certified productivity consultant and serial entrepreneur who inspires companies and individuals to work smarter -- through the application of virtual teams and technologies.

Nikita is a passionate and dynamic speaker whose unique blend of innovative ideas, practical experience and real-world examples will ensure that your next conference, workshop or training event is an uplifting and educational yet, entertaining experience. And, she would love to share her expertise with you!

Here are some ways in which you might utilize Nikita's presentations:

- As a **Keynote Speaker** for a special event such as a conference, workshop or corporate retreat.
- As a **Trainer** dealing with such topics as workplace productivity, transitioning to a virtual office, managing virtual teams or enhancing work / life balance.
- As a **Lean Champion** to help you apply Lean Office principles to your company's work processes and procedures.
- As a **Webinar Speaker** for a virtual meeting or online training event.
- As a **Productivity Coach** for virtual teams or work at home professionals.

Call toll-free 1.888.307.9996 today to invite Nikita to speak at your next conference, workshop or corporate training event.
